

How to set up your child's media center account online

1. Go to destiny.ccs.k12.nc.us.
2. Select **VanStory Hills Elementary** on the left of the page.
3. Click **Create Account** in the upper right corner of the page.
4. Enter your child's last name in the top box.
5. Enter your child's lunch number in the bottom box. (Your child will know this number well if he or she purchases lunch; if not, it is on your child's report card)
6. Select your child's birth date using the menu boxes.
7. Click **Next**.
8. Under username, enter your child's lunch number.
9. Use your child's birthdate (mm/dd/yy) as the password. You may also include your email, but this is not necessary.
10. Click **Save**.

Your child's name will appear in the upper left of the screen.

Once you have created this account, you can get helpful information regarding your child's library activities.

The **Home** tab shows quick links to resources your child will find helpful.

The **Catalog** tab allows searching of the school catalog.

The **Circulation** tab shows any fees on your child's account.

The **My Info** tab shows what your child currently has checked out.

If you have questions or concerns, email alisonhurley@ccs.k12.nc.us or call the school at 483-0809 and ask for the media center.
